

## Explorations Registration Form Spring 2010

**Explorations** is the name of a new learning opportunity for seniors in Hopewell Valley and surrounding communities. A completely volunteer organization, Explorations is dedicated to providing a peer-led continuing education program that offers a wide variety of daytime courses. It is underwritten by the Hopewell Valley Senior Foundation and sponsored by Hopewell Valley Senior Services.

All classes will meet at the Pennington Presbyterian Church, The Hopewell Valley Senior Center, or the Wellington Manor Club House at 1:00 PM on the scheduled day. Fees are \$30 for one course and \$20 for each additional course. All checks must be received by Wednesday, April 14, 2010. There can be no refunds for cancellations after that date. All applications whenever received will be processed on April 14, at which time there will be a lottery to determine members of courses that are over-subscribed.

Contact Larry Mansier at 737- 0863 for additional information.
