Hopewell Valley Seniors:

Check out R.S.V.P Volunteering

Join seniors staying active and dealing with community issues. The **Retired & Senior Volunteer Program (RSVP)**, a nationwide volunteer program, invites adults age 55 or better to use their life experience, skills and energy to answer the call of their community in need. Our 350 - 400 Volunteers work with more than 35 organizations countywide, providing services like hot-line counselors, reassurance callers, meals on wheels, recording for the blind, counseling re Medicare, and advocacy for nursing home residents, to name a few. Many other opportunities exist and RSVP Mercer will work to craft a unique opportunity for a willing Volunteer and work site.

RSVP Mercer supports our Senior Volunteers with supplemental **insurance** coverages, a small **mileage** subsidy, various recognition benefits and other **practical rewards** for Volunteering, including improved physical well-being. If you want to stay involved and do some good for your community and yourself, then RSVP is for YOU!

For more information about RSVP of Mercer County, please contact Hugh Adams, Director of RSVP, by phone: (609) 883 - 2880 or via e-mail: rsvpmc@yahoo.com. Contact us today and join hundreds of other seniors making a difference!

Our Volunteers BLOSSOM through community service!

RSVP is one of the family of services sponsored by CONTACT of Mercer County, NJ, Inc.
